

GO CATALYST FREQUENTLY ASKED QUESTIONS

What is a GO Op?

A GO Op is a way of serving our neighbors and those in need throughout the community.

How do I plan a GO Op?

There is a GO Op Guide that teaches you how to plan a GO Op from the initial identification stage to completion.

What is a GO Local Partner?

GO Local Partners are ministries and organizations that partner with CCCC in providing missional opportunities in the 4B area. For each GO Local Partner, we have designated a GO Advocate. A Go Advocate is a CCCC volunteer who serves as a liaison between CCCC and our strategic GO Local partners in providing individuals, groups, and campuses with missional opportunities around the 4B area.

How can I and my small group engage with the GO Local Partner?

You may contact the Advocate to learn about ways that your group can help their organization or ministry.

How can I request funds for a GO Op?

If the cost of a GO Op becomes prohibitive, you can request financial assistance by filling out this form.

How can I share stories and pictures from a Go Op?

You can complete this online form and upload pictures too! This form should be submitted after *every* completed Go Op.

How can I stay up-to-date with news about GO opportunities or needs of the Partners?

Every month a GO Newsletter is sent out; you are automatically subscribed to the Newsletter when you became a Catalyst. You can also connect to the GO Facebook page.

What about those 2 meetings a year?

One meeting is in the fall and one in the spring. The Fall meeting is more of a celebration and is also a great way to stay connected to your fellow catalysts. It's helpful to trade information and ideas. The Spring meeting is more of a training and usually has a guest speaker. Both meetings will include important information that will be helpful to you in your role and will keep you connected.
