

FORGIVE

Week of October 27, 2019

Today we learned about... Proverbs 10:12

God hates sin because HE is holy.

That is why sin separates us from God.

BUT...His love covers our offenses.

Because God forgives us so much and covers us in love....we should forgive others.

This week you can train, practice, and GO by...

- Talk about forgiveness with your family. Tell stories of when you were forgiven or when you forgave someone. As you watch the end of the professional baseball season—when do you see times of forgiveness on a team? When does the team come around a player even when they make a big mistake?
- Practice being quick to forgive this week by remembering all the things God forgives you of.
- Continue to think of ways to earn quarters to give to help furnish the West Campus Children's Area!
