

# FRIENDSHIPS

**Week of November 3, 2019**

**Today we learned about... Proverbs 13:20**

This Proverb is saying that if I hang out with people making wise choices – I will probably make more wise choices. If I hang out with people making foolish choices – I will probably begin to make more foolish choices.

Proverbs is also telling us that we should be good influencers to others – we should help them make wise and not foolish choices – we should be a good friend to others.. Jesus is our example of a great friend to have—He is always wise—always trustworthy—**HE wants to be more than just a friend, HE wants to be OUR SAVIOUR and LORD**

**This week you can train, practice, and GO by...**

- Tell stories of times that friends helped you make wise choices—and times that they influenced your foolish choices.
- Think of wise friends that you know—thank them for being a wise friend for you. Think of foolish friends that you have—commit to be a good influencer in their choices.
- This is the last week to collect quarters to help furnish the West Campus Children's Area! **Bring your tube full of quarters next week!**
