

SUGGESTED NAVIGATOR PATH

OPENING GROUP

- Share any CCCC News
- Pair up and share memory verse with your partner

REPENT & BELIEVE

State the purpose of the group:

**Let's remember why we're here together. We are a community who continually seeks to repent & believe in who we are and what we do because of who God is and what he's done in the gospel of Jesus!*

**Let's commit to this end by praying God's Spirit would be at work in us now to repent of things which keep us from being better disciples of Jesus and believe more deeply the things which do.*

OPEN WITH PRAYER

WE ARE CITIZENS WHO LISTEN & OBEY

READ THE WEEK'S SCRIPTURE TOGETHER

**You might remind the group that we read and apply the Scripture as a way citizens listen and obey their King*

- **ASK: What were your reflections of the week's Scripture?**

**This should be a time where the group learns from each other by reviewing their observation & interpretation sections of their study. Facilitate discussion around the biblical text based on the reflections given*

REVIEW THE TEACHING

- **Have everyone SHARE their Big Ideas for the week.**

**Feel free to generate gospel-oriented discussion about issues the Big Idea hits upon.*

- **Have everyone SHARE their reflections on how this week helped them better understand and apply the Gospel Grid storyline for this study.**

**Look to for areas of unbelief to be addressed, identities to be affirmed, activities to be highlighted, etc. Essentially, use this time as both diagnostic and pastoral. Space for noting any insights on their responses are provided below.*

REVISIT THE WEEK'S EXERCISE

- **Have the group SHARE their thoughts on the exercise?**

- What did you learn?
- Were there any struggles you found?
- How was the experience overall?

- **ASK: How does this train us to be better live out our new purpose as missionaries who go and multiply by sharing the gospel in word and deed?**

WE ARE FAMILY WHO LOVE & SERVE

NAVIGATOR OPTIONS FOR LOVE & SERVE

** Choose one per group meeting to remind members of their gospel identity as family members or create your own*

- How this week have you embraced your gospel identity as a family member who has a new responsibility to love and serve God's people?
- What patterns of life need to change for each of the people in your group to be more present in each other's lives?
- What could you do to identify those things as a group and then leading people to yield some of their personal agenda to live more interdependently as a group?
- What ways can we grow this week in sharing resources with each other? How can we plan ahead to use time, money, talents, or education to serve each other?
- How can we take a measureable step forward in how often and personally we pray for each other?

WE ARE MISSIONARIES WHO GO & MULTITPLY

NAVIGATOR OPTIONS FOR GO & MULTIPLY

** Choose one per group meeting to remind members of their gospel identity as missionaries or create your own*

- How have you been able to live as a missionary this week?
- What is something you could do this week to impact someone in your Top 5 with either your words and/or your deeds in order to point them toward Jesus?
- What is God doing in the lives of your Top 5 that you want to celebrate?
- Good deeds glorify God and prepare the way for the Good News to be told. What can we all do together this quarter that will do this in our community?

CLOSING GROUP

Restate the purpose of the group: Once again, as disciple-making disciples, we are here to be trained into living out our new gospel purpose as missionaries who go and multiply by sharing the gospel in word and deed.

**As each week passes, see how much of the underlined phrase can be said by the group. Challenge them to learn it.*

PRAYER UPDATES AND REQUESTS
