Kyle is the Student Director for our Clear Lake campus and has lead a number of men's small groups over the years.

Carson has been a youth pastor at a couple different church's and currently volunteers alongside Kyle in the student ministry. Both of us love Jesus, have a passion for helping others follow after Jesus, are seminary students, and enjoy disc golf, ping pong, and Houston sports. If you get us confused Carson is the bigger one with the better beard.

This group is designed for Clear Lake young men in the college/career season of life (roughly between the ages of 20-30).

Curtis & David are: Starting a new group at the Clear Lake campus

Hi, I'm Curtis. I have known Jesus for about 30 years now, through ups and downs. I am an engineer here in the Clear Lake area, I have 5 kids, one dog, and most importantly have been married to my beautiful wife Christie for almost 10 years. I enjoy theology, shooting guns, traveling when there is not a pandemic, and relaxing with family. I am looking forward to getting to know another group of guys and growing closer to God with them. To me small group is not a book club, it is a band of brothers (one of my favorite TV shows btw).

Hello, I'm David. I've lived in this area all my life and have been a member of CCC Church since about 2011. I've been a follower of "The Way" (book of Acts) since 1996 and really enjoy digging into God's word. I live alone and enjoy music, art and spending time with family and friends. I work as a trainer and really enjoy conversation among our small group both face to face and virtually. I've heard so many members of the church mention how special our small group community is to them, but not until I participated in a small group myself was I able to see the body of Christ more clearly.

We plan to have group members lead group regularly as they are comfortable. Please keep this in mind, in our past group this was a rhythm our Navigator set and we really enjoyed it!

Angel is: Starting a new group at the Clear Lake campus

Hello! My name is Angel Torres. I am married to a beautiful woman named Sandra and we have 3 children together. We have been going to CCCC for about 6 years.

I love my family very much, I love CCCC and most importantly I love Jesus and God's Word. I am excited about the opportunity to lead a men's group so that we can learn and grow spiritually as well as walk through life together. I was in two small groups previously and this will be my second group to navigate and I believe that small group has been an essential part of my walk with God and spiritual growth. I look forward to sharing that experience together.

Day: Wednesday

Time: 7pm-9pm

In-person Meeting

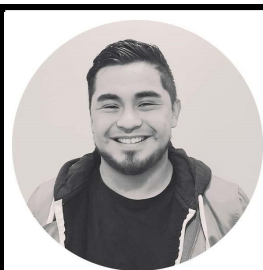

Location: Middlebrook

Matt & Jonathan are: Starting a new group at the Clear Lake campus

Matt Vicenik - married 17 years and a father of one. I have attended CCCC for many years but only recently got involved in a small group. It has been one of the most important decisions I have ever made. Group has grown my faith, understanding, and love of God.

Jonathan Newport - married almost 5 years and currently the proud foster dad to Quinton and Quan. I'm an avid cyclist, golfer, and sailor, at least in my mind, and am a proud graduate of the University of Texas at Austin. This will be my third men's group to lead as a navigator.

Group is a tremendous place to grow in community and in relationship to Christ, but you'll only get out what you put in. Take a risk, join a group, and be known.

I am married with two 20+ year old boys. I'm an engineer who likes to fish and referee football when not working. Looking for beginning believers as to not overwhelm us with bible knowledge. We are all still learning!

All current members are married with school age kids to 30 year old kids. Most are part of a couples group as well but not all.

Michael is: the East 96 campus

I'm a 45 year old guy who has a passion for leading men's groups. I've been married to my wife Shannon for 19 years and we have 4 kids. We're very busy and a bit of a mess at times given all the chaos. I grew up in the area and have been going to CCCC for 12 years now and have led 6 different groups over the years. I'm not a Biblical scholar by any means, but I do have a passion for organizing men together so that we can focus and apply the Gospel to our lives. My style and cadence for the group tends to be an even balance of reading books of the Bible and doing topical Christian books as recommended by CCCC leadership.

My plan is to meet virtually initially and ultimately start to meet at the Chick-Fil-A on East 96 once it's opened for dine-in customers.
