Our group is a multi-campus mixed group of single guys & girls. We are in the young professional (post-college, pre-family) stage of life. Ages range from 23-40 with a good mix of professions & interests.

Our favorite conversations revolve around real talk and asking the questions some would shy away from, and we won't have a group without snack! We enjoy having socials outside of group to have a good time & bond. We look forward to growing the community of young professional folks at each of our campuses!

This small group has members from multiple campuses. Brianna attends the Clear Lake Campus
