## CLEAR LAKE CAMPUS

### WHAT CAN I EXPECT IN SMALL GROUP?

Groups meet most weeks (you'll take holidays off and such) on a variety of days at different times. The bulk of the meeting time is focused around a biblical study led by the small group leader (Navigator), prayer, and social time.

I am an engineer, husband, father of three kids, tennis/ soccer player, movie/book lover, and most of all, adopted child of God. As cheesy as that may sound, my life would be a total mess if it wasn't for Jesus. I am passionate about how the Gospel in community has transformed my life, family and friends. In my small group, we're all working through something (including me). Don't feel like you have to have it all together or have seminary degree to come. We're just broken men who need Jesus.

I've been part of CCCC for the last 10 years. On Sunday mornings you can often see me playing bass guitar in the band. We are a group of men exploring our faith and what that means for our daily lives. We look for opportunities to share our faith and serve the community. Study areas are selected by the group and have been a mixture of topical books and books of the Bible.
