I have been a member of CCCC since 2010, and serving since 2011. I currently run Pathway to Peace Recovery Ministries at CCCC. I have a crazy past, but use it to show how God uses it to bring others to Christ. I've lead three other groups. Plus two groups in student ministry, and I'm excited to grow with a new group of amazing people. Hope to meet you soon.

Our group is a multi-campus mixed group of single guys & girls. We are in the young professional (post-college, pre-family) stage of life. Ages range from 23-40 with a good mix of professions & interests.

Our favorite conversations revolve around real talk and asking the questions some would shy away from, and we won't have a group without snack! We enjoy having socials outside of group to have a good time & bond. We look forward to growing the community of young professional folks at each of our campuses!

This small group has members from multiple campuses.
