

# GROUPLINK

## WHAT CAN I EXPECT IN SMALL GROUP?

Groups meet most weeks (you'll take holidays off and such) on a variety of days at different times. The bulk of the meeting time is focused around a biblical study led by the small group leader (Navigator), prayer, and social time.

### starting point

Starting Point is a conversational, small group environment where people can explore faith and experience community. It's a safe place for everyone to ask questions about faith and learn about the Bible and Christianity. This class is 8 weeks long.

Open to everyone

Matt is a teacher and coach at Bayside Intermediate and Alyssa is a counselor at LifeTree Counseling Center. We're both graduates of Texas A&M, so we love some Aggie football. We're also big Astros fans. When we're not chasing our wild crew around, we like to hang out at the beach or just in our driveway with our neighbors. This is our third group to navigate and we're excited to continue to build community with fellow believers.

We hope everyone feels welcome to be as vulnerable as they would like to be. We are currently working through some of Paul's epistles, and hope to complete a study on prayer in the near future.

We are a kid-friendly group!
