

GROUPLINK

EGRET BAY CAMPUS

WHAT CAN I EXPECT IN SMALL GROUP?

Groups meet most weeks (you'll take holidays off and such) on a variety of days at different times. The bulk of the meeting time is focused around a biblical study led by the small group leader (Navigator), prayer, and social time.

Meeting in person in South Shore

We've been married for seven years and between the two of us have four teenagers - 19, 18, 16 and 14. At least two of the children don't like each other at any given time. We love a good challenge! We also have a Goldendoodle named Tucker who everyone in the family loves all of the time. We've led small groups independently and together. We've loved them all! We are praying for and excited to meet the next group that God is forming for us!

I am retired and happily married to my wife Martha, who also serves as a Navigator for a women's small group. We have a dog Barkley and five adult children who all live either in Houston, Austin or San Antonio. Travel, fishing, reading, outdoor activities and babysitting seven grandchildren occupy much of our time as do activities with our small groups. We currently enjoy serving as Usher & Greeters on the First Impressions and Lord's Supper teams at the Egret Bay campus.

Our group enjoys learning, laughing, growing, breaking bread together and Christian community in general. Our primary focus is glorifying God by helping each other grow in our Christian walk. This includes time in addressing prayer needs, Bible study discussions, practical life application, serving others either in the church or the community, and just enjoying the fellowship of other Christian men. We currently serve at Mercy Tree and The Sanctuary Foster Care Services.

MEETING DETAILS:
Meeting in person in Nassau Bay

I have been married since June 1978 to April, who comes from an Egyptian background, which shows God has a sense of humor in bringing peace between the Egyptians and Jews. We have a son who is married with a family, which is the reason we moved here from Arizona. As soon as April and I arrived in the Bay Area of Texas, we started serving within the Clear Creek Community Church and with the Ministry Partners. I have been a Navigator for three years here and at other churches in Arizona, Washington, DC and California, I have served in various leadership roles. I am most thankful that our Lord has brought us to Clear Creek Community Church.

Meeting in person in Deer Park

We've been married for 9 years and have one son named Judah who turns 4 in October. We love to hang out and spend time with family and friends. We love to travel, and a couple times a year you can expect us to go to Disneyworld. Jordan is a Disney Travel Agent and Cody is the student director for the 528 campus. We love the college/young adult age group. That time in our lives was so much fun and instrumental in our understanding of Jesus. Our hope is to journey with you and help you understand Jesus more fully and embrace the life He has for you!
