We have been married for 14 years, and are a blended family with a 28-year-old, soon to be married son, who is a veterinarian and 12-year-old boy-girl twins, who are in 7th grade. Though our downtime interests differ—  
Jack: cooking, college football, and landscaping,  
Natasha: thrift shopping, regular shopping, and home projects, we are 100% united on our never-ending search for the world's best cheese enchiladas! Prior to marriage, we joined a couple's group and began our journey, full of twists and turns along the way, to know and love Christ. We are excited about this group to grow closer to Christ and support each other along the way.
