

GROUPLINK

EGRET BAY CAMPUS

WHAT CAN I EXPECT IN SMALL GROUP?

Groups meet most weeks (you'll take holidays off and such) on a variety of days at different times. The bulk of the meeting time is focused around a biblical study led by the small group leader (Navigator), prayer, and social time.

I moved to Texas 12 years ago and found my home in Clear Creek Community Church. I have been married 19 years with 2 beautiful teen daughters. Life can get pretty challenging these days, but I find joy and strength being in Gods word and serving his people. I have served in several areas of the church and currently am a small group navigator in student ministry. I have been in 6 groups and enjoy meeting new people who share the desire for fellowship as we deepen our faith through Gods word together. This group is for residents of Seabrook and those living nearby.

Names: Chris & Robin Gonzales

Type: Married

Day: Monday

Time: 6:30pm - 8:00pm

Location: Claremont

We have been married for four and a half years. We have 4 children ages 3, 6, 11, and 15, and a Golden Doodle who thinks she is a person. Our kids are homeschooled and are involved in sports (volleyball) and other activities (orchestra/piano) which keeps us busy. We like the mountains and the cold so naturally... we live in Houston. In our free time we like to... just kidding. We don't have free time! Small group has been a catalyst for the growth of our relationship with Jesus. We have been blessed to be part of a great small-group community; where couples can share, grow, and "do life" together. We decided to become Navigators to grow and be a part of God's community. We are adding members to our current group.

Names: Pat and Michelle Patrick

Type: Mixed

Day: Thursday

Time: 7:00pm - 9:00pm

Location: FM270 & 96

Michelle and I have been married for 43 years and have been members of Clear Creek Community Church for over 10 years. We have been Navigators for over two years and love leading a group in Bible study while we strive to become fully devoted followers of Jesus Christ. Both of us were saved at an early age and have been actively involved in different types of church programs for most of our life. We have one daughter and son-in-law with four grandchildren ages 9 years to 19 months. We are retired, enjoy living life on Clear Lake, and are avid boaters. God has blessed us in remarkable ways, and we strive to be a blessing to everyone God puts in our path.

Our current group is composed of people between the ages of early 40s to late 60s. Beside weekly group meetings, we hold monthly social events to assist in building close relationships and doing life together. We have an excellent Go-Op leader, and our group has committed to do quarterly community service.
